

**LETTER OF INTENT**  
**on**  
**JAYSES 2010**  
**[Japan-Asia Young Scientist and Engineer Study Visit Program 2010]**

Since the objectives of JAYSES: Japan –Asia Young Scientist and Engineer Study Visit (hereinafter referred to as the “Program”) are to broaden the viewpoints of the participating students (hereinafter referred to as the “Students”) from Tokyo Institute of Technology (hereinafter referred to as the “Tokyo Tech”) and Ho Chi Minh City University of Technology (hereinafter referred to as the “HCMUT”) especially on the relation between Japan, Vietnam, Thailand , Indonesia, Philippines and Singapore, and to encourage them to establish human network of younger generation in Asian region, the both universities confirm their roles as follows.

1. Role of Tokyo Tech

- 1.1 Conduct and manage the whole Program.
- 1.2 Arrange proper transportation and accommodation for the students.
- 1.3 Dispatch one academic staff and one administrative staff to accompany the Program, who will have main roles for the safety of Tokyo Tech Students during the Program.
- 1.4 Confirm and instruct the Tokyo Tech Students to have proper medical, evacuation, and repatriation insurance during the Program.
- 1.5 Instruct the Tokyo Tech Students’ conduct to avoid accidents to its utmost.

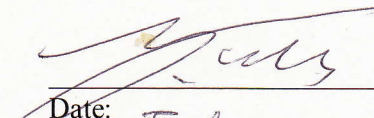

2. Role of HCMUT

- 2.1 Nominate Students to participate the Program.
- 2.2 Provide room or space for discussion or presentation for the Program, if necessary.
- 2.3 Advise the HCMUT Students to have proper medical, evacuation, and repatriation insurance during the Program.
- 2.4 Instruct the HCMUT Students’ conduct to avoid accidents to its utmost.

Remarks: Each university will bear due responsibility for its own members and students in case of accidents and unexpected events and will make best efforts for mutual assistance in such circumstances.
